The building will be opened 15 minutes before the scheduled start times during the fair. We do this to ensure valuables that are left in the building are kept as secure as possible. Please make sure all your items are off the floor or in a protective container before you leave each night due to the possibility of rain. You are responsible for your own items. Also, please park in designated parking areas and not next to the building. If you need help carrying items, please make prior arrangements with us.
