

Camping
Application & Contract
2026 Pope County Fair

Camping at the Pope County Fair is a privilege. All camping rules must be followed or you may be asked to leave. Units are allowed 300 square feet of space each. Units must be a minimum of 7 feet apart which includes slide outs and extensions. A 16 foot access lane must be maintained on either edge of the camping area (see map at fair office.) Nothing is allowed to block this lane — including vehicles. These are for your safety. Electrical hook-ups may be available, but are not guaranteed. You are responsible for your belongings and actions. The Pope County Ag Society is not responsible for accidents!

Please return this form with your \$150 check by mail to Pope County Ag Society, P.O. Box 171, Glenwood, MN 56334. Sites are reserved on a first paid basis. Spots are limited so reserve early! Limited non-electrical spots are available for \$50 each. Thank you for your cooperation!
