

Pope County Fair Camping Registration

Camping at the Pope County Fair is a privilege. All camping rules must be followed or you may be asked to leave. Units are allowed 300 square feet of space each. Units must be a minimum of 7 feet apart which includes slide outs and extensions. A 16 foot access lane must be maintained on either edge of the camping area (see map at fair office). Nothing is allowed to block this lane including vehicles. Electrical hook-ups may be available, but are not guaranteed. You are responsible for your belongings and actions. The Pope County Ag Society is not responsible for accidents!

Electrical Camping spots are \$125. If you would like to camp without electric, it is \$50 and your camper will be set up on the far north side of the back parking lot.

Please return this form with your \$125.00 check by mail to: PO Box 171 Glenwood, MN 56334. Sites are reserved on a first paid, first served basis. Thank you for your cooperation!
